Please pray for healing because I have a bad infection in my leg. It is cellulites and is very painful. My wrist is still hurting as well. Thank you for your prayers.

A bone in my left knee slipped last night momentarily from the tendon so I am off my feet again with wrapped knee & ankle but planning to attend prayer meeting to be blessed by prayer of my friends and Pastor Andy's study. Thank you for your prayers. From: Betty Jacobs.

Please remember Mike Faustman and infant son Robert in prayer as they start life over. Wife and Mommy, Jeni Faustman passed away the after giving birth to her baby son in July of this year at Bryan Hospital. Our heartfelt sympathy goes out to this young family.
