

Cindy decided to homeschool them to make sure they had a good Christian education as well as a solid grounding in the Lord. She always enjoyed spending time with her family. She was always excited about going to the Creel's lake house on Cedar Creek Lake.

She was a superb skier and enjoyed the serenity the location afforded. In 2022, she finished her career years and retired from the Army Air Force Exchange Service in Dallas. In February 2024, she was overjoyed to become a grandmother, declaring herself "CiCi" for her grandson Jack.

Throughout her life she enjoyed being involved in church, first with her young family at Trinity Church in Cedar Hill and then at Gateway Church in Midlothian. She particularly enjoyed working to support the girls' ministry at both churches. She was always a mighty prayer warrior for her family, her church, and her nation.

It was her desire that once she passed, people would share memories of her life and smile over a good meal in remembrance of her. Her family has made available her Award-Winning BBQ Brisket recipe, which was awarded the Blue Ribbon at the Blaylock family reunion. Think of her when you prepare and share it.

Her love for the Lord was boundless and she radiated His Love like the Texas sun on a summer day. She will always be remembered as a devoted wife, a loving mother, and an adoring CiCi.

Life of Cynthia Denton Permenter

Cynthia Elaine Denton Permenter was born in Bonham, Texas to James and Joyce Denton. She and her brother, Sterling, were raised by loving parents and moved around Texas while Cindy was young. The family settled in Stephenville, where she later attended Stephenville High School. Her most memorable achievement in high school was becoming a Lieutenant for the Stephenville High Stingerettes Drill Team. In 1971, she graduated with honors. She went on to attend Tarleton State University and later transferred to Texas Tech University, graduating in 1975 with a Bachelor's of Business Administration.

She later accepted a job as an auditor for the state of Texas where she worked on the Howard Hughes Estate in 1977. In 1980, she was enroute to an audit in Canada when John Permenter dropped into the last open seat which was next to hers. She started dating him after his return to Dallas in June. John fell deeply in love with her during the summer heatwave, and that August he proposed to her at the Gillespie County Fair. They were married on Valentine's Day, February 14, 1981 in Stephenville, TX.

After buying a home and settling into married life, Cindy's determined spirit shone through and she attained her CPA license. In 1985, Cindy was blessed with a beautiful daughter, Heather Nicole Permenter. Her wonderful son Grant Stephen Permenter followed with his arrival in 1987.
