Peter Charles Hoag, 87, of Provo, Utah, passed away on November 23, 2024.

Pete, as he was known, was born on April 22, 1937, to Russell and Hele-
ne Hoag in Chicago, Illinois. After studying geology at Cal Tech for a
couple of years, Pete joined the US Air Force as a pilot.

Pete went on to spend 28 years in the USAF as a test pilot, fighter pilot
and Defense Attaché. During that time, he completed a BSEE from
Washington State University and a Master's in Aeronautical and Astro-
nomical Engineering from Stanford University. Upon his retirement,
Pete went to work for McDonnell Douglas for about another 10 years.

In 1959, Pete met his future wife, Patricia McCrea Waller in Laken-
heath, England – where Pat's stepfather was also stationed. Pete and Pat
married in 1960 and went on to have five children: Russ, Tom, Joe, Dan
and Kate.

After Pat passed away, Pete married Alecia Ann Jones in 1994. In 1995 he
retired from McDonnell Douglas and both he and Alecia devoted much
of their time to working in first the St. Louis, MO then the Provo, UT
temples of the Church of Jesus Christ of Latter-Day Saints. When he
was not working at the temple, Pete loved to spend time with his kids,
grandkids and great grandkids. He enjoyed researching family history
and was generous in sharing his knowledge and family stories. He also
had a great love for growing some terrific flower gardens – dandelions
beware!

Pete was predeceased by his parents and three of his siblings. He is sur-
vived by Alecia, his brother Tim, his five children, his fifteen grandchil-
dren and eleven great-grandchildren.

In Loving Memory

Peter Charles Hoag
