

A Playful  
Street

# Make Your Street A Playful Street

# A Place to Play... Right Outside your Front Door!

**Playful Streets are a low cost and easy way to open streets to play, by limiting access to vehicles for a few hours.**

Children can safely play and socialise outside — just like you did when you were young :)

Playful Streets are meant to be simple. They are run regularly on any day of the week or month - whatever works for you and your neighbours.

Neighbours steward local car access at walking speed.

Parents are fully responsible for their own children as normal.

Playful streets are community streets - show the kids the games you used to play!
