CLOTHING STUDY

This week, we have explored clothing in relation to different jobs and careers. We had a fun visit from the New Market Fire & Rescue on Tuesday. We learned that clothes can even protect workers! We also discovered that uniforms help us to know who people are and to help recognize helpers in our community.

CLASSROOM ITEMS

- SVAE has scheduled parent/teacher conferences for Wednesday, Nov. 4. There is no school that day. If you cannot keep your appointment time, please text me that day. Conferences for Pre-K are not required. If you come in person, your child is welcome to attend with you, but they must stay with you while you are in the building. No childcare is provided in the gym.
- Lunches – Lunchtime can sometimes create anxiety with children who are not eating at home. Discuss snacks and lunches with your child so they know what to expect. Send nutritious, but simple options that you know your child will eat. Practice opening packaging and reusable containers from home. We encourage children to eat their main entrée first, followed by any fruits & veggies, and lastly chips/crackers and desserts.
