REFLECTING CHRIST

"The wondering crowd that pressed close about Christ realized no accession of vital power. But when the suffering woman put forth her hand to touch Him, believing that she would be made whole, she felt the healing virtue. So in spiritual things. To talk of religion in a casual way, to pray without soul hunger and living faith, avails nothing.... A living faith means an increase of vigor, a confiding trust, by which the soul becomes a conquering power." ~ *Desire of Ages*, pg. 347
