The doors may be closed but that doesn't mean that squash stops. Street Squash is an exciting and innovative way to keep active and squash ready from home. Teach your family some shots, or watch out for our trick shot challenges on social media. There are no rules, restrictions, or boundaries so get creative and share your ideas by using #StreetSquash hashtag or tag us on Instagram or Facebook.

Participation Review

Squash Australia is undertaking a review of our participation offerings and resources. We will be engaging a working group to build and enhance participation across the board.

Squash Girls Can

We have had to suspend all Squash Girls Can programs that started at the start of 2020. However, are continuing to work with universities and Sport Australia. The Squash Australia University Advisory Group has been in full-swing this year, and has been a great forum for sharing ideas and keeping connected as a sport community.
