3. **New COVID-19 Strategy Update 2022 – 2022**

It has been great to see squash centres open once again around the country, however everyone will be frustrated by the latest setback in Victoria.

[Please click here for the latest on COVID-19 from around the country.](#)

George Clinton is the delegated COVID-19 Coordinator at Squash Australia if any centres have any questions regards the framework. Please contact George - GClinton@Squash.org.au.

3. **National Insurance Programme**

We have approached Sportscover/Marsh for a recalculation based on revised participation numbers but they have been hesitant to reduce the premium further given the discount agreed for 2021.

Both Marsh and Sportscover have confirmed the 25% reduction for 2021 and we will continue to request further reductions as states are impacted by COVID-19 e.g. Victoria currently.
