

Prayer and Praise

March 29 thru April 4, 2014

April 1

We are spending time with Doug and Michelle Sanders, our son and daughter-in-law over the weekend. Doug isn't planning a formal funeral. He is planning to be cremated. He is a beautiful person. He has a huge number of friends, so the memorial service will be huge and will be in a close friend's large and very nice mechanic's shop. He is planning a memorial and sharing time to begin with and then transition to good eats and social time and sharing memories. There will be visitation time at the funeral home before the memorial service. Thank you for your prayers as we walk this journey with him.
