*For the word of God  
is alive and powerful.  
It is sharper than the sharpest  
two-edged sword,  
cutting between soul and spirit,  
between joint and marrow.  
It exposes our innermost  
thoughts and desires.*

Empathy training provides practical and powerful tools which help us to listen and understand others' emotions as well as communicate more effectively, especially during times of stress or anxiety. These strategies can be used with people of all ages and stages in life. We learn what empathy is and what it is not. We learn how to use body language and words for effectively connecting with others, and we also explore tangible ways that we use empathy with ourselves as well as with others.
