

## *I Love You And*

'I love you and goodbye'  
Is what I would say  
If only I wasn't so far away

Life on earth can seem so short  
But you have completed your task  
And can step off the court

You've made your team really proud  
And I know the cheering in heaven  
Must be loud

This goodbye will hurt for quite some time  
But I'll remain faithful  
As I follow you down the line

Because I know goodbye is not the end  
What is broken  
Christ will mend

So I'll patiently wait and continue to grow  
Until I can say  
'I love you and hello'
