## Washington D.C.

Our 7<sup>th</sup> and 8<sup>th</sup> graders had a fun filled trip to Jamestown, Williamsburg, and Washington D.C. last week. Historic Jamestown is the home of the first permanent English settlement in North America. We talked with Native Americans, heard muskets fired and explored pilgrim ships. Williamsburg was the capital of the Virginia Colony and played a significant role in the American Revolution. We listened to debates at the courthouse, got put in stocks and saw George Washington riding through town. Washington D.C. is the capital of the United States. It is the center for our government and history with monuments and memorials to our famous leaders. We loved walking through history to places we recognized and places that were brand new. We circled the White House. We toured the Holocaust Museum, Air and Space, Natural History, etc. We walked along the reflecting pool and watched the sun set from the Lincoln Memorial.

The Bible tells us that some day we will see Jesus with our own eyes. Heaven will be the capital city that we all live in. God will be seated in the very center. And we will no longer be tourists. We will be home!

**BABY BOOM!** We are so excited to welcome two new APCS babies. George Calvin born to Mrs. Wade's daughter Brooke, on October 24. And Elijah Huss born to Mrs. Belensky's daughter, Sarah, on October 30.

Congratulations to the beautiful families and happy grandparents!!
