Remembering Babe...

Brighter Days

**When times are bad and the road's looking rough,
When you begin to feel you're just not strong enough,
When the days drag on and you want to cry,
When you feel your life has passed you by,
Know in your heart that I am here
to help you through your pain and tears.
Nothing seems to go your way.
Just remember tomorrow's a brand new day.
Soon, the sun will rise and shine through your gloom.
Then once again, your long lost faith
will begin to bloom.
So please don't give up
when you feel beaten and hollow,
For brighter days are sure to follow.**
