

Goals are dreams with deadlines.

Courage is not the absence of fear, but the conquest of it.

There's only one way to fail, and that's to quit.

Invest in yourself. It will pay you for the rest of your life.

Let me win, but if I cannot win, let me be brave in the attempt.

If you don't fall now and again, it's a sign you're playing it safe.

Character consists of what you do on the third and fourth tries.

Be sure you put your feet in the right place, then stand firm.

The only place you'll find success before work is in the dictionary.

A true leader walks his talk.

Progress has little to do with speed,  
but much to do with direction.

The most important thing about a goal is having one...

Experience tells you what to do- confidence allows you to do it.
