Jan. 27	Noon Dismissal
Jan. 28-29	No School
Feb. 15	No School - President's Day
Feb. 26	Career Day
Mar. 1	Kids' Heart Challenge Begins
Mar. 3	No School - Parent/Teacher Conferences

## BUILDING STUDY

This past week-and-a-half, we helped some animals who had a problem by building them a bridge to cross a river, practiced counting tools, and recognizing and matching numbers. We made really fun puffy paint melted snowmen to add some winter cheer to our school hallway. We finished last week by learning, reviewing, and practicing positional words (behind, in front of, under, over, through, between, beside, next to, etc.). This week, we studied skyscrapers and describing different heights (i.e. tall vs. short and tall, taller, tallest). We practiced building our own tall buildings.

At home, you can help reinforce what your child is learning at school by counting everyday objects, let them cook or bake with you, find and identify letters together in their surroundings. Playing board games is a great way to solidify colors, numbers, counting, taking turns, and many other skills.

## CLASSROOM ITEMS & ANNOUNCEMENTS

- **Lunches & snacks** - Please send appropriate utensils with your child's lunch each day. Friday snacks are very important since students do not get to eat lunch as early on that day. Please send a snack each Friday.
- **Library story time** - The New Market Area Library is hosting a virtual PJ story time on Monday, February 8, at 7:00 pm. I will be reading two books for the event, which will be held on Zoom. The Zoom link can be accessed by emailing [5kipps@shentel.net](mailto:5kipps@shentel.net) or by sending a PM to the New Market Library FB page.
- **Talent Show** - We will not be having a talent show open to guests this year, but want to video and present several acts that can be shared online. If your child would be interested in singing, playing music, telling jokes, doing gymnastics, or something else, please sign them up on the front office window before February 1.
