## Pre-K & Kindergarten Mrs. Beth Kobliska

### Field Trip

On Tuesday, September 24, our class will be going on a field trip to the Trike Theater in Bentonville. We will see the play "Dog's Job" and also experience some behind the scenes fun creating and play acting ourselves. It is IMPORTANT for PreK parents to note that state regulations do not allow us (OAS) to take the PreK students off campus. This means that PreK students will have to be accompanied by an adult guardian that is not Ms. Beth or Ms. Jo. If you cannot come, it is permissible for you to ask another parent to be in charge of your child. We cannot arrange that for you, however. Of course, you can also choose to keep your child home from school that day and make other arrangements for their care. Please watch for further details regarding this field trip.

### Theme Book

*Adele and Simon* is the title of our next book. This is a fun story of a big

sister in Paris trying to help her little brother keep track of his belongings and learning that good neighbors are important, no matter where in the world you live!

### Bible Story

For Bible class, we will learning about the story of Elisha helping his friends by praying for a son and later asking God to bring that same son back to life. Our memory verse is "A friend loves at all times. He is there to help when trouble comes." Proverbs 17:17

### Letter of the Week

Our letter this week will be **Ss**.

### Snack Helpers

Our snack providers for the week are: Monday, Reagan; Tuesday, Ethan; Wednesday, Nic; Thursday, Emma. Thanks for all you do in this area.

## 1<sup>st</sup> & 2<sup>nd</sup> Grade Mrs. Kay Sutherland

**We enjoyed Spirit Week!** Thank for all the time you put into helping your children find great hats, socks, sunglasses, crazy hairstyles and sports clothes! Twins' day was awesome. There were even some triplets in our room! We had a lot of fun this week enjoying your creativity

### Reading logs are due every Friday!

Remember to listen to your child read 75 minutes a week. Pick books that are easy for your child to read.

**Show and Tell** is every Friday morning. Please help your child remember a family story, something about a pet, a family outing or trip that goes along with a picture or souvenir. Items that go along with what we are learning about in school

are also appropriate. Second graders will be learning about the desert in reading. We are all learning about who wrote the Bible in Bible class.

## 3<sup>rd</sup> & 4<sup>th</sup> Grade Mrs. Eva Hill

☺ **Happy birthday!** We are delighted to celebrate our first classroom birthday of the school year. Simone's birthday is next Wednesday, September 11. We are SO glad you are part of our class, Simone, and hope your birthday is as special as you are!

☺ **Please remember** signed envelopes, progress reports, and reading logs are due every Monday morning.

☺ **Social studies chapter 2 test** is next Wednesday, September 11. In this chapter we are learning about early European explorers, how the territory of the United States expanded from coast to coast, and the rights and responsibilities of citizens. Please remember that students have notes they have written to read through regularly so that tests don't come as a huge task.

☺ **MULTIPLICATION!** Because it is vital to learn these facts at this level, memorization of the multiplication facts through the 12s is a very important part of the first two quarter math grades. While we will practice daily at school, mastery of the facts requires regular individual practice at home. Please ensure that your child begins learning (or reviewing for 4<sup>th</sup> grade) right now. The 2s will be tested next Thursday, September 12.

☺ **Spelling words from lesson 5** will be tested next Friday, September 13.

Thank you for keeping our parking lots safe.

## 5<sup>th</sup> & 6<sup>th</sup> Grade Mrs. Janet Lopez

The 5/6 graders elected a president, Raquel Olea, a Vice President, Ryan Goslee and Bella Krein tied, and Secretary, Mattie East. They will help plan parties and events in our classroom. This was part of our Social Studies. We our learning about the United States as a democracy, it's motto, seal, culture, ideas, and much more.

In Science we are learning about interactions among species in nature. This includes mutualism, commensalism, parasitism, and predation. We also learned about simple vs. complex organisms. We looked at pond water through a microscope. There is more living there than meets the eye!

In English students are typing a play. Each group will choose the play they like best and we will record them acting it out on iMovie. Then we will play the movies in class.

In Math 5th grade is dividing by one and two digit divisors. 6th grade is turning decimals into fractions and Vice versa.

Our Extreme Makeover Bible unit has ended and we are now studying about Bible prophets. In addition we are reading, "War of the Invisibles," a kid friendly version of the great controversy.

Please remind students to read and take AR quizzes for points. They need

Have a blessed weekend!
