

When Tomorrow Starts Without Me

Elizabeth Doris Fries

When tomorrow starts without me
and I'm not there to see
If the sun should rise and find your eyes
all filled with tears for me

I wish so much you wouldn't cry the way you did today
While thinking of the many things we didn't get to say

I know how much you love me, as much as I love you
And each time that you think of me,
I know that you'll miss me too

But when tomorrow starts without me
please try to understand
That an angel came and called my name
and took me by the hand

And said my place was ready in heaven far above
And that I had to leave behind all those I dearly loved

But when I walked through heaven's gates
I felt so much at home
When God looked down and smiled
from His great golden throne

He said, "This is eternity and all I promised you
Today for life on earth has passed, but here it starts anew

I promise no tomorrow for today will always last
And since each day is the same
there's no longing for the past

So when tomorrow starts without me
don't think we're far apart
For every time you think of me,
I'm right here in your heart
