

Biofeedback Certification International Alliance

Harry L. Campbell, BPS, BCB
Board Certified in Biofeedback, Senior Fellow

has demonstrated an advanced competency to use biofeedback instrumentation for the purposes of monitoring and assisting in physiological self-regulation according to the Professional Standards and Ethical Principles of BCIA. By virtue of having completed the requirements for original Board Certification, additional continuing education, and years of experience, the above title is hereby granted.

This certificate is not a license to practice.

Randy Ayle

Certificate#: B4513

Expires: December 31, 2024

Chair, BCIA Board of Directors
