The Great Awakening would wake America out of spiritual lethargy in the 1700s and 1800s. Men such as George Whitfield, Jonathan Edwards and Charles Finney were used in a powerful way to bring revival and call people back to God. Come and join us as we watch Season II of Lineage, which explores the historical narratives of the individuals that were a part of this groundbreaking movement.

March Prayer Focus

March 3-9, 2019

The Blossburg, Canton, Hillcrest and Sayre churches with Pastor Mark Cockerham

March Education Prayer Focus – The Northern Tier Christian School, Wellsboro, PA

Spirit of Prophecy Sermonette

The specific rules for the government of the social and religious life of the Hebrews, were given to Moses for the Israelite, and embraced the principles of the ten commandments. But those commandments themselves spoken by the voice of God in hearing of all the people, and engraven on the two tables of stone, were given for the benefit of all mankind, and were to endure through all time. Because the transgression of the fourth commandment is so general, does not lessen the sin of the transgressor. God holds man responsible for the observance of every one of his precepts.
