REFLECTIONS

Michael Mitchell was born November 13th, 1985, to Joel and Barbara Mitchell. He was raised in Johnston County and attended school in Princeton, North Carolina, where he graduated in 2004.

Michael had two brothers, Johnny and Jesse, and three sisters, Krissy, Kyla, and Sissy.

Michael was married to his soulmate and his very best friend, Megan. Michael and Megan shared three children together, Emma, Jameson, and little Michael, along with their Pitbull named Axle.

Michael was a hard worker and devoted his life to his family. Michael was passionate about his cars, trucks, go karts, four wheelers, motorcycles, and anything on wheels. He was a mechanic 25 years. People knew him as "Chevy". He was known for his kind soul and even sensitive at times. Michael was humble, strong, unique, loyal, and would give the shirt off his back to help anyone. He knew no stranger.

You would often find Michael out back in his shop working on his many projects. He enjoyed riding his four wheelers, mudding, hunting, fishing, riding his motorcycle, and racing go karts with his Uncle Russell.

Anyone who had a chance to meet Michael had a friend for life. Michael may be gone but he will never be forgotten.

WORDS FROM MEGAN

"He had the most genuine and purest heart I have ever known. I have seen him bend over backwards and fold himself in half to help out another person in any way he could. His loyalty to the ones that meant something to him was unheard of Nowadays. He Smiled with no worries like he did not carry the weight of the world on his shoulders. He has been thru things that would bury the average. He was tough and strong to the eye but fragile and sensitive because he took everything to heart. He was humble, gentle, loving, patient, and an AMAZING man. I love you

Mike Mitchell"
