*When I was but a boy in days  
of childhood I used to play till  
evening shadows come  
Then winding down an old  
familiar pathway I heard my  
mother call at set of sun.*

*One day beside her bedside I  
was kneeling. And angel wings  
were winnowing the air  
She heard the call for supper  
time in heaven and now I know  
she's waiting for me there*

*In visions now I see her  
standing yonder And her  
familiar voice I hear once  
more, the banquet tables ready  
up in heaven It's supper time  
up on the golden strand*
