1957~ 2024

*God sent us an angel. He blessed us with her light.
She graced us with her presence, an angel that shined so bright.
She had so much compassion. A heart filled with lots of love.
A gift sent to us all, that came from up above.
A life filled with many stories. A life filled with so much laughter.
Her book came to an end, she reached her final chapter.
God called his angel home, she knew she had to leave.
She finished her purpose here on earth with all she had achieved.
This is not a goodbye though, she'll always be in our hearts.
It is a see you later till we are no longer apart.*
