**Never Apart**

Forever you are with me although we are apart  
With me in spirit I cherish your heart  
Forever my mother I'll never replace you  
Truly an honor for that I am grateful  
Forever my queen as I place on your crown  
I'm holding you up while for me you stayed down  
Forever your child your one and only  
Never thought I would see the day  
you would leave me lonely  
Forever at peace although it might hurt  
I know that you're with me for my journey on earth
