

Prayer and Praise

April 12 thru April 18, 2014

Doug Sanders Passed Away Tuesday, April 15, 2014

Today around 5:30pm my best friend and brother breathed his last.

Cancer may have taken his body but his spirit was never broken. We lost an amazing warrior who fought the good fight and I am SO proud to have been able to call him brother for the past 41 1/2 years!

My prayers and support are for my beloved sister-in-law who now faces the task of picking up the pieces. [Michelle Sass Sanders](#), I love you and will always be there for you! I am so grateful my brother had such an amazing woman who faithfully stood by his side every minute of his struggle!

Rest in peace my brother [Doug Sanders](#)! I will always love you...

From Chris Sanders Facebook

My soul is exceeding sorrowful... a great young man... whom many knew as "friend" ... my son. He was a devoted son, husband, brother, father, grandfather (thank you, Keisha, Lindsey, Stephanie), father-figure and mentor, teacher, worker, employee, co-worker. He was proud to be an American. A Sooner fan, Pittsburg Steeler fan; Harley biker; Mechanic-par-excellance. He revered God and the Bible and he recently told me that he frequently hummed Kumbaya while he drove the equipment at work. He wanted God in his life. The book of Revelation tells that God has golden bowls that hold the prayers of the saints. From Doug Sanders diagnosis with cholangiocarcinoma October 2012 to April 15 (tax day - wouldnt you know it!) he knew God might perform a miracle of healing. I am certain we will talk together with Jesus when the Lord returns to earth to take His children Home (I Thessalonians 4:14-17) and learn some answers to our questions.

Joy and Peace to You this Easter

Thank You, Lord,
for a costly cross...
an empty tomb...
a triumphant Savior...
and a heart set free
for all eternity!

But thanks be to God! He gives us the victory through our Lord Jesus Christ. I Corinthians 15:57
