

ABERDEEN SQUASH AND RACKETBALL CLUB – BYELAWS

INTRODUCTION

To help you get the best out of Aberdeen Squash & Racketball Club, and to understand our responsibilities to you and your responsibilities to us, please read these terms and conditions, referred to as 'byelaws'. The language we use should make these byelaws as clear as possible. If you have any questions, a member of club staff or committee will be happy to help you. To help make these byelaws easy to read, we have split them into two parts.

Part A – Terms and Conditions of Membership

- All members must keep to the same terms and conditions.

Part B – Rules and Regulations for using our Facilities

- These terms and conditions apply to all our members and their guests. They are necessary to make sure we can offer an enjoyable and safe environment for you, your guests and our other members to share during every visit to the club.
- These terms and conditions apply at all times and take priority over anything a member of our team has told you.
- These terms and conditions replace any previous versions.

(Approved September 2023)

The Committee
Aberdeen Squash & Racketball Club

PART A – TERMS AND CONDITIONS OF MEMBERSHIP

1 DEFINITIONS THAT APPLY TO PART A

- You – the member or lead member in the case of corporate membership.
- Linked member – anyone who is linked to your corporate membership
- Your entire membership – your membership and the membership of your linked members
- We, us and 'the Club' – Aberdeen Squash & Racketball Club

1.1 Every person who signs the membership application will be jointly and individually responsible under this agreement.

1.2 This means that:

- if one of those people tells us to do anything in relation to the membership (including ending it) we will take that as authority from all of them;
- each of those people will be responsible for paying all the appropriate membership fees for themselves, for any other people who have signed the form and for all linked members; and
- each of those people will be responsible for paying any extra charges and fees which they, any other people who have signed the form, a linked member or a guest has to pay for using facilities and services not covered by the membership category.

1.3 All of these terms and conditions of membership apply to you and all linked members unless we tell you otherwise.

1.4 You and all linked members must keep to the rules and regulations for using facilities set out in the club byelaws.

2 MEMBERSHIP CATEGORIES

2.1 Membership categories are defined in the Club Constitution and associated rules and regulations for each category are specified in Part B of this document

3 MEMBERSHIP CONDITIONS

3.1 Membership Upgrades & Termination

3.1.1 You can upgrade your membership at any time during the period (see appendix on membership types). The changes to your upgraded membership will take effect immediately, and you will have to pay any difference in membership fees between your new category and your old category. These will be calculated from the first day of the calendar month within which you upgraded until the end of the period. You may not downgrade your membership at any point during the period, only at the end.

3.1.2 If you want to terminate your membership from the end of the period, you can give us one calendar months' notice in writing or via email as long as we receive your notice any time up to and including the first day of the final calendar month of the period. If you give us notice but we do not receive it by the first day of the final calendar month, your membership will automatically continue for the following period.

3.1.3 We will contact you via email to remind you that, should you wish to alter or terminate your membership, we need to be notified at least one month before the period is due to renew.

3.1.4 You can change your mind about joining. To do this you will need to give notice in writing or via email. If you change your mind, we will refund any fees you have already paid and your entire membership will end. You can do this at any time up seven working days after making your membership application or up to the first time you or any of your linked members enters the club to use the facilities, whichever is the earlier.

3.1.5 If your membership has no linked members, only you can give notice to end it.

3.1.6 If your membership has linked members, the following rules apply for ending membership.

3.1.6.1 If you give notice to end the membership, we will treat it as applying to you and to all linked members unless you tell us otherwise.

3.1.6.2 If a linked member who has signed the membership application form gives notice to end the membership, we will treat it as

applying to you and to all linked members unless the person giving notice tells us otherwise.

3.1.6.3 If your membership is ended, it automatically ends the membership of all linked members.

3.1.6.4 Individual linked members can end their own membership by giving us notice.

3.1.7 You must continue to pay your membership fees until the end of the period. This means that your minimum commitment is to pay for every full calendar month of the membership period, even if you pay by monthly direct debit and cancel the direct debit before then.

3.1.8 The membership subcommittee may offer some discretion on whether a member must pay the balance due to the end of the membership period should they decide to cancel their membership. Their decision is final.

3.1.9 You must not enter the club to use the facilities once your membership has ended. Linked members must not enter the club to use the facilities once their membership has ended.

3.2 Membership Cancellation

3.2.1 We will not tolerate our staff or other members being verbally abused or intimidated or being physically threatened. If we find this to be the case, we have the right to report you to the police, to ban you immediately and permanently from the club and to cancel your entire membership.

3.2.2 We may also cancel your entire membership in the following circumstances.

- If you or a linked member breaks or repeatedly breaks this membership agreement or the club rules and you do not or cannot put it right within seven days of us writing to you about it.
- If, with your knowledge or permission, another person uses your membership card at the club.
- If, with a linked member's knowledge or permission, another person uses that linked member's membership card at the club.
- If you, your linked member or your (or a linked member's) guest uses rude or abusive language or behaves or threatens to behave in a violent or aggressive way at the squash club.

3.2.3 If, for a period of longer than 12 calendar months, neither you nor any linked member uses any club facilities.

3.2.4 If we receive any complaint about your behaviour or that of a linked member at the club itself, or at any squash club while representing the club in a competition or in any other capacity or if you or a linked member persistently behave inappropriately, or if we believe that your continued membership (or that of a linked member) is not in the interests of other members of the club, the committee has the right to suspend your entire membership. You have the right to appeal against the decision to the membership subcommittee (unless your behaviour is covered by 3.2.1 or 3.2.2) who will invite you to a hearing before making their final decision. If we are not able to sort out the issue following your appeal, we have the right to cancel your entire membership.

3.2.5 If we cancel your membership for any of the reasons in clauses 3.2.1, 3.2.2, 3.2.3, or 3.2.4, you will still be liable for your membership fees

3.3 Membership Fees & Payment

- 3.3.1 You must pay for your membership either by making one payment each year or by making monthly payments by direct debit.
- 3.3.2 Full payment is due on or before the final day of the calendar month in which you submitted your application for membership. If you are renewing your membership, full payment is due before the period renews on 1st October
- 3.3.3 If you choose to pay by monthly direct debit, monthly payments are due on the 15th of each month and cover that month. We will ask your bank for your monthly payment around the 15th of each month. There is a 5% increase in annual fee if you pay by monthly direct debit.
- 3.3.4 If you choose to pay by monthly direct debit, the first payment will be due at the time of joining by cash, card or cheque and will cover that calendar month. The monthly direct debits will commence the following calendar month.
- 3.3.5 If you do not pay your membership fee when it is due, we will contact you in writing or via email to you to let you know. If you are paying by direct debit, we will try to take this payment from your account again later in the month. If that is unsuccessful, the membership subcommittee will review your membership status, and have the right to terminate as defined in the Club Constitution. Appeals may be heard by the full committee.
- 3.3.6 The management subcommittee may allow you some flexibility in making payments. Such measures will be available at the discretion of the subcommittee, and will only be available in very exceptional circumstances.
- 3.3.7 We may refer any missed payments, including any future payments that are due as part of your contract (for example, payments you owe for the rest of the period), to a debt-collection agency, or pursue the appropriate legal remedy ourselves.
- 3.3.8 If you fall behind with your membership payments for more than one calendar month, we will charge you an administration fee of £10. We will also charge an administration fee of £10 for each missed payment.
- 3.3.9 If you do not pay for your membership, we may prevent you and any linked members from entering the club. This does not mean we will end your membership.
- 3.3.10 Cancelling your direct debit does not mean you have given us notice to end your membership. You must end your membership in line with 3.1.
- 3.4 Corporate (Linked) Members
- 3.4.1 Mix and Match Options
- 3.4.1.1 Corporate Members can be added on a mix and match basis. This means that you can choose a different Corporate Membership category for each linked member within a Corporate Membership

- 3.4.1.5 Payment to upgrade a linked member category will be based on the difference in cost between membership category and pro-rated to the remaining membership term

- 3.4.2 If you want to link another member to your corporate membership, we will need their signature to make the change. 3.4.3 If you are linked to another member, either you or the other member can ask to remove that link.
- 3.4.4 The number of linked member changes is limited one per quarter (the first quarter of the year is defined as 1st October – 31st December).
- 3.4.5 If we remove someone from a linked membership, the membership itself will continue regardless of the number of people linked to it.
- 3.4.6 The direct debit option is not available to corporate memberships.
- 3.4.7 If a linked member changes employer mid-way through their membership period, they may continue as part of the Corporate Membership until the end of the Corporate Membership period. After this they must resign their membership and be removed from the Corporate Membership.
- 3.5 Membership Cards – Facility Access
