

To My Mom,  
I love you for all the times that you have called me to come in the house, and I had to call Elsie and Joe. Because you know I was the problem child, and then it just never stopped because Mommy called me for everything. I can be outside and be called in the house to get a glass of water for her when Joe would be right by her. The love was all that I am writing about, and I am going to miss you. Rest well,  
Mommy.  
I love you.  
Kevin

My Darling Mother:  
I miss you so much. I just can't stop crying. Everyday when I wake up I will keep you in my prayers.  
Love your baby girl, Darlene

To Mom Mom;  
What's up, baby? I'm not so good with written letters, but I had to write this one just to let you know how much I appreciate the times we spent together. As a kid I knew I wasn't the best grandchild, and you had to curse me out at times. As I grew to an adult, we grew closer. Everytime you seen me, you would just watch me and tell me how I looked and remind you of Uncle Robert. Then you would want a hug and kiss. I would get upset at times cause I wanted you to just eat better and work on moving around more, feeling at times like you were giving up, but now I look back and see I was wrong. I feel kind of selfish not knowing your pain or how you really felt. You was always telling me you were trying. I can write all day, baby, just telling you I love you and appreciate our time together. Just know from the bottom of my heart I will always love you, and I will miss you.  
Forever yours, Baby Boy Lil Stacey

Forever blessed to be in your presence.  
Love, Teddy

Do you know how much we will miss you? You are the best Mother we can ever have in our lives. I miss you so much, see you soon.  
Love you so much,  
Marvin and Renee Harris

I miss you so much, Grandma, I love you, watch over me.  
Love, Eniyah

Thank you for always treating me more like a son than a son in-law.  
Forever in my heart,  
Mane

I love you, G-Mom G-Mom. The best days are with you. I am going to keep you here with me in spirit. So continue to shine down on us and hold us like you always have.  
Love you always and forever until we meet again,  
Storm/Boobie

Memories grow, and memories fade, but memories of Grandma never go away. Her smile rests in mine, her hands help me sew, her love fills my heart, her spirit runs through my soul. I love you always,  
Grandma.

# Her Life Story

**Lillian Harris**, daughter of the late Archie and Mary Baylis, quietly departed this life on Tuesday, May 30, 2023. She was born on August 24, 1935, in Ardmore, Pennsylvania. She was one of ten children and seven preceded her in death.

Lillian received her education through the Philadelphia school system at Simon Gratz High School where she graduated.

Lillian met Robert Overton, and gave birth to Nadine and Robert Baylis (who preceded her in death). She later met and fell in love with Melvin Harris, Sr., and from that union, they had ten children, Sharon, Melvin Jr., James (who preceded her in death), Marvin, Alexander, Joseph, Kevin, Elsie, Darlene, and Eugene.

Lillian worked over 30 years as a caretaker for special needs children at HMS until she retired.

Lillian loved to play Solitaire, she loved to dance, and she loved watching old cowboy television movies and shows.

Lillian leaves to cherish: her children, Nadine, Sharon, Melvin Jr., Marvin, Alexander, Kevin, Joseph, Elsie, Darlene, and Eugene; two daughters-in-law, Patricia and Renee; one son-in-law, Elijah; two sisters, Marian and Mildred; many grandchildren, great-grandchildren, and great-great-grandchildren; and a host of other family and friends.
