EXTRAORDINARY EXPENSES

Phase III of our capital improvements is installation of laminate flooring in the great room and kitchen in Woodhams Hall. Details are:

- a. Projected cost for materials is approximately \$8000.00, of which we have 50% of the funds raised
- b. Workbee to remove the old carpet and prep the floor for the laminate (Sunday, May 19)
- c. Workbee to paint the walls prior to the flooring being installed (week of May 20)
- d. Flooring to be installed (May 26-27)

Thank You for your donations in support of the costs related to the **Phase II** to purchase and install equipment for visual presentations. We are short approximately \$700.00 to finalize the project.

Please prayerfully consider how you can continue to support our local combined budget, assist with the roof loan and help with any of the above identified projects.
