Pre-K & Kindergarten Mrs. Beth Kobliska

Another Great Week

This week we are enjoying watching the kids bond as a class. We've also started music class and the students are learning about beat and rhythm. We've celebrated Emma's birthday together and had lots of fun times inside and outside. It's been a great week!

Snack

Thanks to those who have brought snack this week. Next week our snack providers are: Tuesday, Rhett; Wednesday, Taraji; Thursday, Tommy and Benny. Please don't hesitate to contact me if you have questions or concerns about this.

Off We Go Theme

We will continue to use our book, *Nico and Lola*, to discuss kindness to those around us. We will also take a little more time to enjoy some dog related activities.

Bible Story

Jonah is still our story and we will be practicing our 2 memory verses and having a chance to act our story and be reminded of God's amazing love for all of us.

Reading Logs

Reading logs are due every Friday and also accepted on Monday. Our goal is 75 minutes per week. Many of you are already exceeding this goal. Keep up the good work! It will make a very positive difference in your child's future reading experience.

Letter of the Week

We've been playing some alphabet games and singing some songs. We've also been working on writing our names or at least our first initials. We will continue this work and next week we will also begin our Letter of the Week

program where we focus on a specific letter and sound for the week. Our first letter will be **Ss**.

1st & 2nd Grade Mrs. Kay Sutherland

Field Trip to hunt wildflowers at the Sutherland's next Wednesday. We are taking the Compass bus! If you would like to join us please text me!

Green folders come home every day! Please take time to review the contents with your child. It contains the results of their days work. It makes an incredible difference when you show an interest and care about what they are doing!

I hope you are enjoying your star gazing and moon watching!

The point of the assignment is to view the night sky. Please don't feel like you need to do it every night but it would be valuable to do it multiple times.

Treasure Verse "Then God looked over all he had made, and he saw that it was very good!" Genesis 1:31NLT

Reading Logs are due every Friday. Please turn them in on Monday if you need the weekend to complete the 75 minutes of reading time with your child this week!

3rd & 4th Grade Mrs. Eva Hill

☺ **A HUGE thanks to** Ashiyana's mom, Ashlyn's mom, Jack's mom, and Michael's grandpa for taking us on our first Trail Keepers trip of this year. It's a great opportunity for us to learn how important it is to serve our community – and to enjoy doing it!

☺ **SOCKS!** Let's see if we all can remember to bring a new pair of socks to school next week. The socks should be in your size and brand new to help with our Christmas Child boxes.

☺ **Treasure verse for next week is** "Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadow." James 1:17
Treasure verse quizzes are on Fridays and are fill-in-the-blank. Let's hide God's word in our hearts this year!

☺ **Signed envelopes, grade reports and reading logs** are due each Monday, but on Tuesday next week since we're off on Monday. Seventy five minutes of reading at home is required each week.

☺ **Spelling words from lesson 4** will be tested next Friday, September 7. Spelling lists for lessons 1 through 5 were sent home previously. If you should need another copy, please let me know.

☺ **MULTIPLICATION!** Regular individual practice time should be established now in order to learn these facts as necessary. The first multiplication test is over the 2's on September 10.

☺ **Have a delightful day off on Monday** and we'll see you with **CRAZY** hair on Tuesday!

5th & 6th Grade Mrs. Janet Lopez

In 5/6 grade Bible this week we dug into the Bible more to learn about "The perfect Lamb," and why after the perfect lamb came and died for us there was no need for animal sacrifices anymore. We watched video clips on God's Grace.

In Math 5th grade is learning about exponents and 6th grade is learning prime factorization.

Thank you for keeping our parking lots safe.

Science is exploring living things. We are doing an experiment with Pill Bugs to help find out what living things need to survive. We will be using the microscopes to look at cells.

In Social Studies we learned about time, years, seasons and time zones. We also learned about maps, globes, longitude and Latitude.

In Language Arts we are learning the parts of a sentence. We named subjects and predicates.

The 7th grade class will have classes as usual.

Library Mrs. Joyce Shedell

Detectives: Search the library for a good book to read. My challenge for you this year is to read at least one book from each section: 300s, 400s, 500s, 600s, 700s, 818s.900's 92, and story books.

Accelerated Reader: Begin the year by reading and testing carefully. Do not rush or race anyone else. Do YOUR best! Ask your teacher how many points are required for each week or quarter.

Christmas Child boxes:

Did you bring your quarter this week? It will soon be time to pack our boxes and we need to purchase a few items. Dollars are needed as well.

To help fill our boxes we are asking that each student bring a NEW pair of socks in their size for their box.

Beginning Sept10 we will begin taking pictures and writing letters for our boxes.

Junior Librarians: We will be using Junior Librarians again this year after Labor Day. To be a JL each student must be up to date with their AR reading.

The Library is **closed** on Friday.

If you need to return a book, put it in the red crate by the door.
