For Today: The Power to Choose

The power to choose! God has given us all a free will to choose those things that are the best for us. We each have 24 hours in every day and choices come up all throughout the day. What will we choose? Will we choose to live for Him or to live for ourselves, the world or even the devil? Will we choose to make healthy choices that will not only affect our futures, but the futures of our children and grandchildren? Choices and decisions lie within our power! What will they be?

Choices bring paychecks! When we choose to follow God, we reap the benefits of God's blessings. When we choose healthy choices regarding our physical bodies, we reap the benefits of good health. The choice to exercise produces a strong physical body. Good financial choices produce savings for the future; a retirement income and the security of being able to meet our obligations when we reach the age where we can no longer work to earn a living. Good, healthy choices produce the desired results: a good, healthy future!

What will you choose today?

I choose to spend time with the Lord to hear what He wants to say to me.

I choose to develop my relationship with Him because I love Him and want His will to be done in my life.

I choose to walk in His ways according to the principles laid out in His Word!

I choose to feed my physical body food that will fuel it for maximum performance!

I choose to exercise my body, so it performs well throughout the remainder of my life.

I choose to love and receive those around me as Christ loved me and received me as I am.

I choose to walk in love, not hate towards my fellow man.

I choose to take control of my life before it takes control of me!

I choose to win in the challenges of life because God created me to be a winner!

I choose life over death, blessings over curses and gratitude over selfish desires!

He asked them,

**“But
who
do you
say
that I
am?”**

Mark 8:29, NRSV

Happy Sabbath!

The ten virgins are watching in the evening of this earth's history. All claim to be Christians. All have a call, a name, a lamp, and all profess to be doing God's service. All apparently wait for Christ's appearing. But five are unready. Five will be found surprised, dismayed, outside the banquet hall.

Days of Noah: Coming to the Clark Fork SDA Church on four Fridays, from February 26. This feature-length documentary film was designed to uphold the validity of the Biblical account of a literal world-wide flood and compare the story of Noah, His message and events surrounding the Flood, to those that will precede the coming of Christ. When speaking of the time before His return, Jesus said "But as the days of Noah were, so shall also the coming of the Son of man be." (Matthew 24:37)

The Days of Noah is an overview of the story of Noah and how his message relates to our time and the Three Angels' Messages. A combination of interviews, re-enactments, on-site narrations, animation, aerial footage, and sweeping landscapes will bring to light the truth behind this story, the character of God, and His love for mankind.
