Prayer Connection

Do you have a prayer request? Elders will have a special prayer in the Pastor’s study each Sabbath before church service. Please choose the following to request a prayer be added to the list:

- Contact the Pastor or Head Elder
- Email ridgetopprayer@comcast.net.
- Submit through the Ridgetop Church website.
- Fill out a Prayer Request Card and bring up for Sabbath prayer.

Please note: In order for prayer requests to be announced during church service or to place a person’s name in the prayer connection section of the bulletin, we ask that you first obtain permission from that person or someone in their immediate family. Then notify one of the elders (as mentioned above) letting them know you have obtained permission. Thank you for taking this in consideration.
