First Day of school change

Thursday, August 15, 2019

There are several factors in deciding to change the first day of school from Aug 12 to 15. First, Mr. Kristensen is completing 3 college courses this summer which will conclude on Aug. 9. He requested a few extra days to make the transition from student to teacher. Second, the International Pathfinder Camporee is from Aug. 12-17. A later start date means the Pathfinders who are participating in the camporee in Oshkosh, WI won't miss too much school. And thirdly, this gives our new teachers a few more days to settle into their new homes and prepare their classes. To make this change and keep the required 180 days of school, the fall break in October has been cancelled.

Who Should Come to Registration?

All previous students who have not completed the registration process need to come on Aug. 4 from 11:00 – 4:00 PM. Also, new students who have started the registration process and need to finalize a few things should come. Anyone who has registered, but would like to meet their teacher, pick out their desk,
