

**EXCLUSIVE SPONSORSHIP OPPORTUNITIES & VIP INVITE  
2022 CANADIAN SENIOR NATIONAL CHAMPIONSHIPS. JUNE 1-7**

To Whom It May Concern,

We are pleased and excited to host the 2022 Canadian National Squash Championships in beautiful Vancouver, B.C. The host clubs Vancouver Lawn Tennis & Badminton Club, Jericho Tennis Club, Evergreen Squash Club, VRC and YWCA Fitness + Racquet Club will make this THE tournament of the season.

This year, we also have the unique opportunity to feature a state of the art all-glass court to be located outdoors in the spectacular Jack Poole Plaza at the Vancouver Convention Center - the site of the 2010 Olympic torch. The Canadian Squash Championships will feature the very best female and male players in Canada competing for prize money and will include the best master's divisions and amateur players of all ages and levels with expected 300 + entries!

***The feature matches will take place on the all-glass court situated with the stunning Vancouver coastal mountains, Coal Harbour and Vancouver skyline as the backdrop - perhaps one of the most epic locations in the world to play and watch squash.***

We are seeking financial sponsors to help us deliver this unique event in June. We are dedicated to providing an excellent experience to all our sponsors and helping them to engage with the community of squash players in Vancouver and across Canada. This Sponsorship Package explains the opportunities and benefits of each level of sponsorship and customizable options based on the needs of your company.

**We are inviting all interested and confirmed sponsors to our VIP kick-off event and party Tuesday, March 8<sup>th</sup> at the Van Lawn Club in collaboration with Squash Canada.** This will include open squash play, a pro exhibition, drinks, hors d'oeuvres along with a full presentation of our sponsorship opportunities.

We appreciate your consideration and look forward to your level of interest.

Sincerely,

**The 2022 Canadian Senior National Committee**
