WORDS FROM ME

I thank God for my family and the life I was given. I was born Michael Anthony Jordan on May 4, 1953, to the parents of Charlie Henderson and Martha Ann Jordan, both deceased. I was their second of eight children. We lived in the Houston Third Ward area. I mostly stayed with my Aunt Willie Mae Kemp/Nanny, now deceased.

I went to Paul Lawrence Dunbar Elementary, James D. Ryan Junior High, very short time at Jack Yates H.S. and graduated from Stephen F. Austin High School in 1973. I went to Alvin Junior college for B&B (basketball and business).

The neighborhood guys and I spent a lot of time with the Houston Downtown Red Shield Salvation Army Boys Club where we played baseball, basketball, traveled, a little football, and I did all except learned to swim (no cold shower for me).

I started with Mt. Olive Missionary Baptist Church on Dallas Street in my youth under Rev. G. W. Prince. Then restarted as a member after my marriage in 1977 under Rev. E. L. Bible. I was officially baptized or re-baptized by Dr. T. Baines, Sr. in August 2022. I wasn't sure or remembered if I had been baptized earlier in my youth and wanted to be sure for, I've always believed in God and Jesus Christ as my Savior.

I married Patricia Ann Volter, January 29, 1977, and God blessed me with three children Michelle, Michael Jr., and Patrice. They have blessed me with seven grandchildren and one great grand, Breasia, Areyon, Danae, Trent, Evan, Ryan, Dawson, and Reign. I also raised Latricia, Devonte, Nicole, and Ronnie. Madonna (Bird) "I see ya." Marvin, Katina, and Jaelon are my godchildren. The doors of my home were always open for long talks and the love shared with all I came into contact with. I'm hoping and praying since life didn't come with instructions that something I said or did was helpful to all of you.

To Patty my wife, "One & Only", Mama Katie, aunties, uncles, sisters, brothers, children, grandkids, a host of nieces, nephews, relatives, and friends I know it wasn't perfect but I'm glad God blessed me with all of you to put up with my good, bad, healthy, stubborn, and sick times.

I was preceded in death by my parents and brothers "Charlie Henderson Jr and Tracy Henderson".

I leave to cherish in memory: my wife Patricia, daughters "Michelle (Dustin) Jackson and Patrice (Lawrence) Williams", son "Michael (Keana) Jordan Jr.", nephew "Devonte Volter", grandchildren, great grandchildren, brothers "Stephen (Pamela) Henderson; Dwayne Henderson; and Joe Douglas Henderson" and sisters "Brenda (Matt) Hopkins and Karen Walker".

Goodbye for now and take care of each other.

FOREVER IN MY HEART

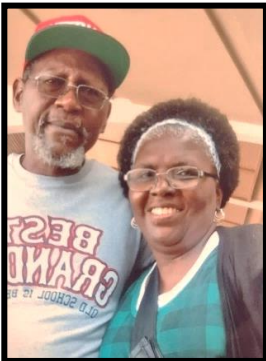

“Death is not
the opposite of life
but a part of it.”

Haruk Murakami.

My eyes are wet, teary, and my heart aches with accepting that you are gone away. Your earthly work and our 45 plus years of marriage are done, for God has called you home. I'm glad you've been given peace, no restraints, no pain and at rest. We faced and overcame good and hard times. I'll miss your smile, touch, hugs, and my dancing partner. God and family will always be here to keep me strong and showered with love,

But Still You'll be Deeply Missed.

Forever Love You,

Patty

TRIBUTES

Our Daddy,

Daddy they say time will heal. Neither time or reason will change the way we feel. Gone are the days we use to share, and in our hearts your memories will always be there. You'll never be forgotten.

Love Meme, Jay, Tricey and Duke

Our Brother,

Today, we as brothers and sisters have grown old. Remembering in our hearts family love, secrets, jokes, family feuds, and good and bad days. We live outside the touch of time.

Your Brothers & Sisters

Our Pawpau,

We just want to say, "We love you with all my heart. And we know that you will be with us no matter where I go.

Until we meet again, we love you, your grandchildren

Our Uncle Bone,

We will miss your quick wit, smiling face, and laughter. You were ready with a joke every time we saw you. You were always the calm in our storms. You would listen to us even when no one else would and offer advice in the quiet way that was you. You never made us feel different when Aunt Patty let us move in or stay over. You just made us feel like we were right where we needed to be. You loved differently. You did not have to say it, you showed it and made sure we felt it.

Love your nieces and nephews

Our Friend,

Thanks for stepping in and being our dad, leader, teacher, & friend
