

Parent Participation Agreement

Through strong family (parent) involvement, Mountain View Elementary students will be able to develop skills to be life-long learners. This includes an increasing understanding of God and growth in their personal relationship with God and others.

The mission of Mountain View Elementary is: To discover and strengthen the skill and passion in students to become life-long learners and witnesses for Christ.

Agreement

Your role in the success of your child(ren) and of MVE has two components:

1. Your personal commitment
2. Your active support

Simply put, we cannot possibly do our job as an educator without your support of the school and the mission stated above. We Need You! You demonstrate that education is a priority when:

- Your child arrives to school on time (before 8am) and is ready to learn
- Your child attends school daily unless sick
- You assist and supervise your child with completing homework and turning it in on time (this includes studying for any tests)
- Your child follows school rules showing respect to God, teacher(s), staff, volunteers, and fellow students
- You attend parent/teacher meetings and scheduled school events
- You respectfully, preferably by appointment, communicate in person with the teacher(s) if you have questions, concerns, or suggestion
- You allow the teacher to access and place your child where he/she will be most successful. (including standardized assessments)

I want my child(ren) to be successful and it is important to me that Mountain View Elementary flourish. Therefore, I am willing to commit to the statements outlined in this document.
