

Joyce Ann Nichols

It is a Pantheon of concrete and steel.

*It is a city that rises, defiantly in the Delta,
alongside The Father Of Waters.*

*It is the humidity of Autumn evenings that drapes
stately oaks and broad magnolias.*

It is haunted. And it is loud.

It is Halloween night and cannon blasts.

*It is a Louisiana gumbo of humanity that cheers its
Tigers to victory, and destroys the dreams of
invading foes.*

Chance of rain is never!

*It is the cathedral of college football, and worship
happens here.*

*When the sun finds its home in the Western sky, it
is a field of glory for sure.
But much more than that, it is a sacred place, and it
is Saturday night in Death Valley*
