Principal's Message

A word from Mrs. Bryant

Our topics of focus for this month's Positive School Culture are Courtesy, Manners, and Cleanliness.

Today, teachers in grades K-2 planned a fun Courtesy and Manners Escape Room! Students worked together in their small groups to uncover clues and complete specific tasks including saying kind words, asking permission politely, and using manner words like please, thank you, and excuse me.

Next week, we'll be learning about Cleanliness. Our goal at Rogers is to educate the whole child and these vital skills are so important to our student's development.

COVID-19 Awareness for Schools

Certainly you've all been keeping tabs on the latest information regarding COVID-19 in our area. I am in close contact with the team at Walla Walla County Department of Community Health and will be in compliance with their instructions regarding any necessary changes to our program or schedule at RAS.

In the meantime, we will continue enhanced cleaning and disinfecting both in the classrooms and in the common areas at RAS. Please encourage your student to wash their hands frequently!
