November 26-27 Thanksgiving Break

**Pogo Sticks-** It has come to my attention that some students are concerned about sharing helmets for our pogo sticks. I disinfect them between each use and am confident any COVID germs are eliminated. I can't guarantee it kills lice though. We have never had a problem with this in my class. I'm letting you know just to be safe. If you have an extra helmet at home you'd like to leave at school for your child, I have plenty of room to store it. The class has been having a great time trying to beat Paige's record of 394 jumps! :D

**Scholastic Book Orders-** Our Scholastic book order forms went home today. It's a great way to get new books and support our classroom. We get points toward new books with each purchase. Our class code is- NDHJV. They are due next Friday, November 20.
