This was the 1<sup>st</sup> time APCS played in an organized league. It was a lot of character building and amazing growth for the Girls that made up the 5<sup>th</sup> and 6<sup>th</sup> grade team. One of our go to sayings was "No Fear" and we sure needed it. Our 1<sup>st</sup> game was against the loaded all stars of Asheville Catholic. We ended up playing 8 games against teams from Fairview public schools, ACA, East Asheville Public schools, and of course the dominant Asheville Catholic. We had good practices and took time to review our wins and losses of the game we just played.

We were blessed beyond belief in our last game against Fairview Bopp. After about a minute of play with their players stealing the ball at will, I called a time out. When the players came back on the court, the coach from Fairview took out his big guns and put in his players that were in a development stage. This gave us some breathing room and we scored 12 points this game.

The girls were beyond resilient through the season and loved the games. We can learn so much from children in how they look at life. And For Danny K's coaching. I'm thankful to Culvers for buying the wonderful time clock for the games. I'm thankful to Foster for letting us use the Gym for games. I'm thankful to the Academy for letting us use the Gym for practices. I'm thankful for the parents that helped out with scorekeeping, running the scoreboard, and collecting money at games. I'm thankful to UNCA for giving us 20 tickets to the Women's Basketball game. Close to \$100.00! I'm thankful that we might connect with some of the players this summer for our Summer Basketball/Swim program at Biltmore Lake.

Patrick Hickey, APCS basketball coach

\*Thank you Patrick for your enthusiasm and leadership with our girls team. They won't forget this season!
