### Key Concepts for Spiritual Growth

In Revelation 13, the dragon gains two allies: a beast that comes up out of the sea (vs. 1-10) and a beast that comes out of the earth (vs. 11-18). These three powers work together to deceive the nations and destroy God's people. Both beasts are described though history before their actions in the end time are portrayed.

How to Hear the Voice of God

### The Element of Surprise

A quick survey of Scripture reveals a God who always seems to show up in the right place at the right time. His timing is impeccable, but His methodology is unpredictable. Remember the instructions Jesus gave to the disciples when it was time to celebrate Passover? "As you enter the city, a man carrying a jar of water will meet you. ." OR when Jesus gave instructions to Peter at tax time "Go to the lake and throw out your line....."

*First, God loves doing miracles in different ways. Second, God loves surprising us when and where we least expect it.*

How do you read your Bible? Like a history book? Like it's living and active? Like maybe God has finished doing what He did? OR do you believe that God wants to do it again, and again, again?

**Most of us read the Bible the wrong way, with low expectations. I read it with this core conviction: if we do what they did in the Bible, God will do what He did. Why? BECAUSE HE IS THE SAME YESTERDAY, TODAY AND FOREVER.** And we can do even greater things.

Do we need to hear His voice any less? Or do we need fewer miracles, gifts, signs?? Or open or closed doors? NO! NO! Pray that God will sanctify our expectations so they are on par with Scripture.
