It is Student Association election season again! Each fall our student body votes new officers to plan a variety of events for our school. While many parents may only think of the Talent Show and Spirit Week as the main events the Student Association (known as the SA) plans each year, we actually are in charge of quite a number of fun events, and occasionally add new ones to the mix! Here are a few our student team planned and organized to make last school year even more exciting!

Christmas dress up contest

Egg Drop

Spirit Week & Spirit Week Assembly

Talent Show

Pi ( $\pi$ ) Day

Picnic Day (Did we mention ice cream and Izzes?)

I'm excited each year to have the privilege to work with our SA team, and I can't wait to see who that will be this year! Plus, we're always looking for new ideas, so you never know what fun events we might be adding this year! If you have questions or are interested in possibly applying, please talk to Mrs. Carey or myself soon! You can pick up an application at the school office.

Applications for 7<sup>th</sup>-10<sup>th</sup> graders are due next week on Friday, September 13. Those who do apply, after receiving approval from Mrs. Carey, need to start working on their campaign posters (due September 18) so we can get to know more about them! Elections for the 7-10<sup>th</sup> grade SA officers and 3<sup>rd</sup> through 6<sup>th</sup> grade class officers will be held at assembly on September 25. See you there!

## Promise of the Week– Timothy 1:7

For God did not give us a spirit of timidity, but a sprite of power, of love and of self-discipline.

**Dismissal:** This year we are dismissing grades PK-4th from their classrooms. Students will be called out to you just as before. Please simply wait in the lobby to speak with teachers if needed after dismissal is finished.

**REMINDER:** Please park in the lot if you need to come into the school for any reason. ALL cars in the fire lane must be attended. Do not block the loop used for drop off and pick up otherwise designated for emergency vehicles.

**Home & School:** H&S is still looking for people to help plan and work in various events. **No matter if it is just a few hours or many hours you are able to commit, YOU are needed!** Plus, it is a super fun and easy way to get your volunteer hours in. Contact the school office to see how you can help.

**Fall Festival:** Christy Kastl is heading up the Fall Festival event, but she needs your help! Join us on Monday, September 16th, at 3:00 pm for a planning meeting.

— **This is a GREAT service hours opportunity!**

**Notice:** As of 2019, WA State graduates are required to have 20 credits in fine arts (in lieu of 10). Please help your high school students plan accordingly.
