The great controversy is nearing its end. Every report of calamity by sea or land is a testimony to the fact that the end of all things is at hand. Wars and rumors of wars declare it. Is there a Christian whose pulse does not beat with quickened action as he anticipates the great events opening before us? The Lord is coming. We hear the footsteps of an approaching God.

This knowledge of the nearness of Christ’s coming should not be allowed to lose its force, and we become careless and inattentive, and fall into slumber-into an insensitivity and indifference to realities. In slumber we are in an unreal world, and not sensible of the things which are taking place around us...
