Goodbye To My Dad

Goodbye Dad, I had to say
A few months ago on a warm spring day
I'll remember the good times and try not to be sad
But saying goodbye still hurts so bad
I miss you more then I can express
My love for you will never grow less
I keep trying to imagine how I will go on
I realize tomorrow is another dawn
I know you're in heaven above
Looking down on me with all your love
Only to whisper in my ear

Remember that I'll never stopped loving you dear
I'll always remember the good times we had
Remember the man, my wonderful Dad
I'll remember you each and every day
And if I need to talk to you, I'll just sit down and pray

One day we'll be together again
Until the time I'll always treasure
Having you for a Dad was such a great pleasure.

Brother

**Today is full of memories of a
Brother laid to rest
And every single one of them is
filled with Happiness
For you were someone special
always such a joy to
Know and there was so much
pain when it was time to
Let you go**

**That's why this special
message is sent to heaven above
For the angels to take care of
you and give you all my Love.**
