

# May 2019

## Discoveryland News

May has knocked on our door and we are not quite ready to open it for her. Even though May brings such wonderful things to us like better weather, flowers, Mother's Day, and a renewed energy, for us at school it also means saying goodbye to our children after graduation. Some of them we have grown to love since they have been with us since room 1! We have watched them cry on their first day. We have helped them to learn to work with others. We cheered with them when they go potty on the toilet for the first time, and we have hugged them in room 2 when it was all new and seemed so overwhelming moving up to the next room. We smiled as they began to have confidence in their story telling and sometimes the attitude

that needed adjusting. What funny, loving, creative, intelligent, and wonderful human beings we helped to raise...and oh how we will miss all of you! So May will come. She will bring all the beauty of spring with her including a heart full with the knowledge that we did our jobs well.

Have you had a chance to meet our new team members Sharmila and Susana yet? They are our teacher's aides who bring with them experience and love for working with children.

There is a lot going on in May, so stay on your toes. Please check for dates in the important dates box.

**May 5** is our center's Spring Fling. Foothill elementary PTO has planned a wonderful day for you and your family. We have fun booths and food! So please join us from 11 to 2 for some great fun.

**May 6-10** is time for us to shower our teachers with appreciation. We will email you the list of days and what to bring for your teacher. We encourage creativity! I look forward to seeing what you parents come up with.

**May 10** is our Mother's Tea. Please look for announcements in your home rooms. Your children have prepared a simple program for you to enjoy.

**May 27** we will be closed for Memorial Day. Please find alternate care for your child that day.

**May 30** at 6pm is our Graduation. Your home room will be passing information on to you regarding what to wear, the theme, and what time to be back at school.

**May 31** is our end of the year Field Trip to Gilroy Gardens.

Have a blessed May! Thank you for allowing us to be a part of your lives. We have enjoyed making memories with you and look forward to making many more with our continuing students.

*Ms. Penny Corpus, Director*
