8. Describe any plans to facilitate routine testing of teachers and staff (e.g., by healthcare providers or at County testing sites):

Teachers and staff are required to get tested on a rotating basis every two months. Teachers and staff have been directed to seek testing through their healthcare providers or through free testing sites available through the county.

9. Describe any plans to resume in-person instruction in phases (e.g., elementary in month 1, middle school in month 2, etc.):
