We have come into His house, and gathered in His name,

Worship Him, Christ the Lord

Health Nugget

In Order to have good health, we must have good blood; for the blood is the current of life. It repairs waste and nourishes the body. When supplied with the proper food elements and when cleansed and vitalized by contact with pure air, it carries life and vigor to every part of the system. The more perfect the circulation, the better will this work be accomplished. (Ministry of Healing, p. 271)

From the pen of Inspiration

Christ changes the heart. He abides in your heart by faith. You are to maintain this connection with Christ by faith and the continual surrender of your will to Him; and so long as you do this, He will work in you to will and to do according to His good pleasure. So you may say, "The life which I now live in the flesh I live by faith of the Son of God, who loved me, and gave Himself for me. (Galatians 2:20. (Steps to Christ, p. 62)
