Message from the Pastor

I have some friends who sincerely believed God was leading them to Montana. They sold their home in the South, bought some property in Montana, and started building. Dad, Mom, and three kids lived in a 280-square-foot camper trailer while they built the garage. When their 500-square-foot garage was built, they moved in and started working on the house. After 2 years, they completed their nearly 4,000-square-foot home and moved in, only to find that they didn't enjoy that much space. They had grown accustomed to living so close together that their large home wasn't appealing any more. They only lived in Montana for 4 years before they sold their house and moved back down south. The question they were asking themselves was, "Did God lead us to Montana or was that just one of our silly whims?"

This Sabbath, we're beginning a sermon series called *Walking with God: Experiencing Authentic Faith*. In this series, we'll explore the lives of several characters in the Bible who had direct experiences with God leading them—Adam and Eve, Abraham, Moses, and Elijah. Through the lives of these people, we'll explore questions like, "How can I know God's plan?" "How do I know it's God's voice leading me?" and "How can I experience a close walk with God?" Whatever your future holds, the Bible tells us that God has a plan, and that He will lead you. If that is true, then it's vitally important that we learn how to know His plan and follow Him. If it's true that God has a plan and He leads us, then we have lots to look forward to in our future.

Benediction Pastor Jason Worf

By faith Abraham obeyed when he was called to go out to the place which he would receive as an inheritance. And he went out, not knowing where he was going. By faith he dwelt in the land of promise as in a foreign country, dwelling in tents with Isaac and Jacob, the heirs with him of the same promise; for he waited for the city which has foundations, whose builder and maker is God.

—Hebrews 11:8-10 (NKJV)
