Pre-K

Mrs. Beth Kobliska
Mrs. Joanna Davis

Our Week

Our new unit is called Outlook. In this unit, we work to help the kids understand that knowing Jesus can help us have a positive outlook no matter what is going on in our lives. This week we've studied 2 Bible stories ("Joseph and His Brothers" and "Jesus Heals the Lepers"), learned about a Canadian holiday called Family Day, practiced making patterns with objects from nature, discovered plant parts and worked on subitizing (Look it up!).

Letter of the Week

The letter of the week will be **Yy**.

Graduation Program

Pre-K and Kindergarten will all be participating in our graduation program on May 18. Be sure to save the date!

Letters of the Week

We will learn about both **Y** and **Z** this week.

Reading Books

The kids are making great progress with their little readers. Please keep practicing with them. It makes a difference! If you keep these little books and practice them through the summer, it will help them to keep up their skills for the beginning of first grade.

Graduation Program

Kindergarten and PreK will all be participating in our graduation program on May 18. Be sure to save the date!

Snack Days

Monday April 12: Reagan, Tuesday April 13: Sawyer, Wednesday May 14: Tinsley, Thursday May 15: Zayde

do here at school. It will help them immensely.

Please refer to the OAS Handbook and make sure your child is in uniform. Girls shorts and skirts must be no shorter than 2 inches above the knee when standing.

3rd & 4th Grade

Mrs. Eva Hill

☺ **Time to celebrate!** We are delighted to wish Santiago happy birthday. This awesome young man's birthday was this last Monday. May you have a blessed and exciting new year, Santiago!

☺ **Yay! Our 3rd & 4th graders raised a LOT of money** for our recent read-a-thon. Way to go!

☺ **Bring a Teddy Bear to school** next Friday! Our art project for Friday, April 16, requires a teddy bear model. These may be small or large, but must be teddy bears rather than any other stuffed animal.

☺ **Spelling words for next week** are in the white envelope today--Theme 8, Week 3 words. Spelling tests are on Friday.

☺ **Treasure verse quiz next Friday, April 16:**
"Therefore encourage each another and build each other up, just as you are already doing." 1 Thessalonians 5:11 (NLT)

1st & 2nd Grade

Mrs. Kay Sutherland

Please encourage your child to read next week. Reading Logs are due every Friday!

We had a great time during our chapel on Wednesday. We found out the winners for our Read-a-Thon! We got to see the individual winners slime Mrs. Lopez. The Kinders and Pre-K Class won again and won ice cream! Congratulations! The whole school collected \$11, 248 for the orphans in Uganda.

Spelling test over Lesson 25 next week!

Please look at the work your children bring home every day. If they aren't bringing anything home send them back into the classroom to get it. They really need to know you care and are interested in what they

Kindergarten

Mrs. Beth Kobliska

Theme Book

Our current theme book is called *Iron Horses*. This book tells the story of the building of the transcontinental railroad, which shortened the journey from Missouri to California from six months by covered wagon to six days by train. We will be enjoying a lot of train activities during this section of our *Moving On* theme. During our Bible class, we will study the story of how God promised Abram that he would be the father of many nations and how God wanted Abram to trust in that promise even though it seemed that it couldn't come true. The memory verse is "Trust the Lord with all your heart." Proverbs 3:5

5th & 6th Grade

Mrs. Janet Lopez

This week in Bible we completed our unit on Jonah and Forgiveness. We are beginning a new unit called "Set

Thank you for keeping our parking lots safe.

Apart." We will learn how we are set apart as God's people.

In English we are reviewing punctuation. We learned about Commas and quotation marks. We also completed a section on abbreviations. Students, remember to read in the library and at home for AR points.

Math for 5th grade has been working out Algebraic equations. 6th grade has been similar, algebraic expressions, interpreting models, forming equations, and solving for X.

Science is focusing on learning about Spectrum Electromagnetics, waves, lenses, and lights. We will learn about refraction, as well as convex and concave lenses.

Social Studies has been about Greek culture. We have learned about the Athenians and Spartans and what it was like to live in their day and culture.

Have a great weekend!

7th & 8th Grade Mrs. Lisa Tonack

Test Schedule:

Mon.: S.S. Test 5/Art due
Thur. English Test
Thur.: Spelling Test 30
Fri.: MV Quiz

Next 4 AR points due:

Four points are due April 29.

8th Grade Mission Trip: Our 8th grade class will be going to CYB for our Mission trip, April 19-23. There is information in the white envelope about our trip. Pray for our group as we travel and work. Also, if you feel impressed to donate to the purchase of materials for our projects, you can give that donation to Mr. Lopez.

Library Mrs. Jeanie Davis

NEW BOOKS: We have several new books in the library for all different classes. Come Check them out!

Last Week's Question:
What was the Great Chicago Fire?

Answered by Leo Hernandez:

On a hot, windy October day in 1871 a fire broke out in a barn of a woman named Catherine O'Leary, the fire spread for thirty hours. It jumped 2 rivers and destroyed most the city of Chicago. Thousands of people, rich and poor, had lost everything Check out the book and learn more interesting facts.

-Question of the Week -
What is the World Series?
When did it start and Where did it happen?

See you in the library!

STEAM Mrs. Joy Jones Mr. Edward Couchenour

The OAS Lego Robotics Team: SKY CODERS, will participate in their first challenge in 2 weeks. This challenge consists of a host of hands-on robotic tasks and an innovation project set out to solve a health concern.

This year the team researched the effects of computer gaming over long periods of time. Their solution is to create extra bonuses within their popular game app for time spent being active. This is a win-win without taking away game time, they encouraged people to get active.

Keep us in your prayers for a successful event! Thanks for your support.

Thank you for keeping our parking lots safe.
