

# *The Passing Years*

Written by Harry J. Komestakes

*Like a brook running on and on*

*Or clouds sailing forever by*

*Another year has come and gone*

*A wonderful year for you and I.*

*My only regret for years gone by*

*Are the ones I spent without you*

*No matter what the future may hold for you and I*

*For me they shall be too few.*

*Time goes on that we can not alter*

*And together we'll share what fate has in store*

*The good, the bad, the happy and sad*

*But with you beside me I shall never falter.*

*And when it's time for us to part*

*There will be no fears or burning tears*

*For tis not the end but a glorious start*

*For one again joined for us no more passing years.*
