

Rest Haven Church has temporarily closed its doors until further notice. Please check back regularly as we will resume our normal services to our members and community as soon as it is safe to do so. We are living in unprecedented times as is evidenced not only by the COVID-19 pandemic, but the uncertainty and fear seen everywhere in the world today. It is times like these that bring us closer to God, and a realization of our utter dependence upon Him. Let us not neglect to petition God to see us through this crisis and to restore those that have been stricken by the virus.
