

Family News for Prayer May 2024

- Please continue to pray for all medical and support staff in the NHS and all care staff supporting residents in their homes and in Care Homes.
- Pray for the staff team and volunteers in the Community Hub, providing help and support to local residents, working in partnership with Trafford Council and other agencies.
- Pray for all facing pressures due to the cost-of-living crisis. For those experiencing loneliness and isolation, and for the mental health and wellbeing of all. For the work of our CAP Debt Centre and Renew Wellbeing Centre in the Hub.

Please pray for those who are unwell: Those with Covid and Flu and all awaiting medical treatment, test results, diagnosis, surgery or other procedures.

Liz Bradley – in Wythenshawe hospital following chest pains, due to have a stent fitted Friday 26th April. **David Bradley** – undergoing test for heart condition. Heart valve replacement surgery required, expected in a few months' time. **Dee Peet** – recovering at home following hip replacement surgery (11th April). **Stephen Birchall** – further surgery for skin cancer to take place on 13th/14th May. **Brian and Mildred Waterson** – Mildred is recovering after ankle replacement surgery, both receiving respite care in Halecroft Grange Care Home in Hale Barns.

Vicky Williams – recovering from eye surgery. **Sharon Gleave** – pray for her recovery from fibromyalgia flare up. **Sylvia Webb** –rheumatoid and osteoarthritis. Recovering at home following first hip replacement surgery (4th April), currently has limited mobility. Awaiting second hip replacement and shoulder operation. **Clifford Webb** –tests and checkups for Lymphoma and Acute Myeloid Leukaemia continuing but reducing in frequency. **Cath Neild** –complex health issues including back pain.

Please continue to pray for other members of our congregation: **David Hill**, in Wentworth House, Pendlebury. **Elsie Jump**, Chapel Fields Nursing Home in Frodsham, **Alan Chadwick**, in Woodend Care Home. **Brian Highland**, coping with Alzheimer's Disease. **Julie Brady** now full-time carer for her husband Paul following a stroke. Julie is also awaiting surgery that she has had to delay due to her caring role.
